OUR PEOPLE

## MEET THE MAINTENANCE TEAM

Meet Rob Keeble and Rob Mort, Oaks Rush Site Managers. The '2 Robs' lead a dedicated team of technicians who maintain and repair all camp facilities, overseeing everything from electrical, plumbing and telecommunications services to water management and the overall amenity of Oaks Rush Camp.

Together, they bring more than 40 years of experience across the construction and hospitality industries, giving them a deep understanding of what it takes to create a comfortable, safe and welcoming environment for residents.

When he's off duty, Rob Keeble enjoys spending time on the golf course and keeping up with the latest sports. Meanwhile, Rob Mort enjoys travelling, attending live music events and, of course, following the footy.

EVENT

## GAME 3 STATE OF ORIGIN

It was a tough day for Maroons supporters as the NSW Blues took the shield home by dominating the series decider with a massive 30-12 victory against the Queensland Maroons. Congratulations to NSW and thank you to the ESS team who ran footy games, handed out prizes and provided finger food.

UPCOMING EVENTS

**AUGUST 1-31** — AUGUST IS SLEEP MONTH

**AUGUST 15 & 29th** — CRAFT NIGHT

**AUGUST 28th** — WEAR IT PURPLE DAY

NOTICES

### CONNECTING TO THE WIFI

1. Put phone into flight mode
2. Select "MarchNet Camp Wi-Fi" as your Wi-Fi setting
3. Ensure "Wi-Fi-Calling" is activated
4. You should now be connected

### SHARP DISPOSALS

Sharps disposal bins are in Laundry 1–10. Never dispose of needles, blades or other sharps in general waste bins or room rubbish bins. Please help protect our cleaners and everyone working on camp by disposing of sharps safely. If you're unsure how to dispose of sharps correctly, or would like confidential advice or further information, please contact the site nurse:

0456 733 451

HEALTH AND SAFETY

## STROKE WEEK

Monday 3rd to Sunday 9th August 2026, is Stoke Week. F.A.S.T. highlights the three most common signs of stroke (Face drooping, Arm weakness, and Speech difficulty) and emphasises the importance of Time when it comes to recognising and treating a stroke. A stroke is a medical emergency, always call 000 or the emergency numbers at site.

NATIONAL CELEBRATION

## NAIDOC WEEK

During July 5 – 12 we helped to celebrate NAIDOC's '50 years of Deadly' at the camp. We provided a bush tucker themed meal and information on this year's theme.

EVENTS

## PAINT AND SIP

In support of Wear it Purple Day ESS will be hosting a Crafts Night/Paint & Sip evening to give residents on site a different way of relaxing and unwinding in camp. With a range of Craft items to choose from or completing a Painting whilst enjoy some fresh fruit platters, a range of cheeses and cold meets.

NOTICES

### SPEED LIMIT REMINDER

Residents are reminded to always drive to the speed limit of **10kms**. Vehicle interactions are one of the lifesaving rules and this requires everyone to have a zero-tolerance for speeding. Vehicle interactions remain a leading cause of fatalities and serious injuries in our industry. We want everyone to go home well at the end of every shift.

DAYS OF SIGNIFICANCE

**AUGUST 9**
International Day of the World's Indigenous Peoples

**AUGUST 28**
Wear it Purple Day

# UPCOMING EVENTS

This time of year marks the peak event season for communities around Kidston. Genex was pleased to once again sponsor the Forsayth Turnout and the Georgetown Campdraft. These events bring together the local community and visitors to celebrate the region's rich pastoral heritage while showcasing the quality of local produce and livestock.

**Coming Up in September and October:** Father's Day, R U OK? Day, the AFL Grand Final, and the lead-up to the NRL Grand Final.

This October, the Royal Flying Doctors (RFDS) are raising funds through fitness. With Kidston using RFDS for medical evacuations this is a cause we can all get behind. Watch this space on how you can join and support a Kidston Team!
