June Newsletter

SITE OPERATIONS

WELCOME ESS

ESS officially commenced on 29 May and have begun implementing menu and crib options and taking on all housekeeping duites.

Throughout June, ESS will immerse themselves in the Kidston way of life. Expect to see new gym programs, fitness challenges, a calendar of events, and change in menu choices rolling out over the coming weeks.

If you run into any issues during the transition, please scan the QR code below so we can assess and action in a timely manner.

CAMP UPGRADES

CAMP RING ROAD UPGRADE

Work to seal the road around the camp concluded in May. We want to thank camp residents who assisted us by using the temporary car park and bus stops during these works. Your co-operation was appreciated.

The drone photo provides a good birds-eye view of the completed road works.

With the sealed road around camp, residents are reminded to always drive to the **speed limit of 10kms**. Vehicle interactions are one of the lifesaving rules and this requires everyone to have a zero-tolerance for speeding. Vehicle interactions remain a leading cause of fatalities and serious injuries in our industry. We want everyone to go home well at the end of every shift.

UPCOMING EVENTS

JUNE 17 — **GAME 2 STATE OF ORIGIN**

JUNE — **MONDAY NIGHT POOL COMPETITIONS**

STATE OF ORIGIN

Men's State of Origin 2026 Schedule

Game 2: Wednesday, 17 June – MCG, Melbourne

Game 3: Wednesday, 8 July – Suncorp Stadium, Brisbane

HEALTH AND SAFETY

Flu season is approaching and now is the time to take simple steps to protect yourself and those around you.

Get the flu vaccine
As flu strains change and protection wears off after 3 to 4 months, it is important to get an influenza vaccine every year.

Wash your hands
Good hygiene is one of the best ways to prevent flu from spreading.

Bin your tissues
Throw away disposable tissues in the bin immediately after using them.

(Healthdirect, 2025)

CAMP UPGRADES

WIFI UPGRADES

Did you know the camp WiFi comprises the main MarchNet Camp WiFi which was upgraded from 400Mbps to 800Mbps (doubling of speed since March 2026) and the four additional WiFi (Starlink) services? The main MarchNet Camp WiFi has increased the band width as well as the speed and can be connected from anywhere in camp, making it your primary service. If you are having any difficulties connecting, please make sure you take the following steps:

1. Put phone into flight mode
2. Select “MarchNet Camp WiFi” as your WiFi setting
3. Ensure “ WiFi-Calling” is activated
4. You should now be connected.

If you experience any issues accessing the WiFi please contact us so we can investigate and resolve this promptly.

STATE OF ORIGIN

GAME 2 WATCH PARTY

Congratulations to the NSW Blues on winning 3-0 of the 2026 Women’s State of Origin series. Next year Queensland!

Join us for State of Origin, men’s game 2 on Wednesday 17 June. The game will stream live on the big screen outside. ESS is planning the menu and the main bar will be open.

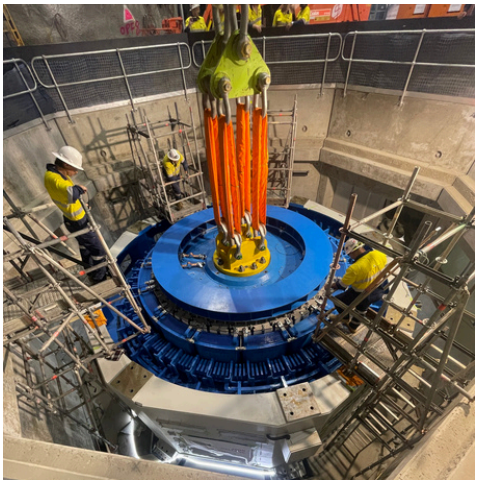

PROJECT MILESTONE

STATOR AND ROTOR INSTALLATION

Great to see the good work for the successful installation of Unit 2 rotor. This follows the installation of the stator – at over 180T this is massive effort from the team for a safe and successful installation. Great job!

Stator Installation

Rotor Installation

NOTICES

PICKLE BALL COURTS COMPLETED

Grab some mates and enjoy a hit out down at the tennis courts!
